# How to eSign your tax return

## eSign your tax return

1. **Receive an email or text message\*** from us with a link to review your tax return (check your junk folder if you don't see it)

2. **Verify your identity** by answering 3-5 personal questions. Then review your tax return (note: 3 attempt limit, including closing your web browser)

3. Follow prompts to **sign your paperwork where necessary**

4. Once you have finished, your Tax Pro can **file your tax return**

## Things you may need to do

For your security, **if filing as 'Married Filing Jointly,'** each spouse must have their own MyJH account, verified with their Social Security number AND unique email.

**If you have frozen your credit reports** with Equifax, ask for the freeze to be temporarily lifted.
